### ANSMANN Twinflex reading light

- Small and convenient LED lamp with two goose necks for reader-friendly illumination of different media such as books, music sheets, newspapers and magazines
- Superb brightness thanks to the use of the latest SMD LEDs in the lamp head
- Natural white light with high contrast specially for comfortable reading with no eye strain
- The energy saving LED technology guarantees extremely long battery life and optimum lighting
- The brightness of each of the two lights can be individually set to three functions (100% / 50% / OFF)
- Ready to be used any time, any place - thanks to the power provided by 3 x AAA batteries (included)
- Flexible attachment due to the mounting clip or mounting magnet on the battery compartment
- Thanks to the goose necks, the pleasant homogeneous light can be directed to suit the individual user
- 2 year ANSMANN manufacturer's guarantee
