ANSMANN Decorative light L

- Ball-shaped, decorative LED light with different colour functions
- The splash-proof, floating mood light also has a magnet on the underside of the light allowing it to be fastened to metallic surfaces.
- The Decorative light L can also be simply placed in the bath or pond as they can float.
- The eye-catcher at any pool/garden party
- The waterproof LED lights are operated with 4× AAA batteries each (not included).
- The lights are available in sets of two including remote control
